I got this because I like the Battles costumes.

It's nice to be able to get them together in one package.. Hard to pass it up for \$9. This is fantastic. Really worth it for the 7.49 that it's on offer for. Strange coincidence: I was about to purchase the Battle Costume pack this month regardless, but at this price, it's an utter steal! Thanks for the awesome deal!. Acquire all these Premium Battle Costumes (C3) for the original 16 characters.

Getting this pack like getting a 37% off offer in game.

One more question, can I get a refund since I've already purchased some characters' Battle Costumes in game before?

The answer is No!. Yess! This is a nice costume pack. I had to buy 1 individual costume for for characters included in season pass 3. The female characters look sexy in battlecostumes \ud83d\udc4c\ud83e\udd18\ud83e\udd17. A new outfit for 16 characters. Its a good deal for 70% off, but not so much for full price...
