CRASH!

Hope there will be season 2.. To be honest I have neutral opinions about this one. Seemed like the story was rushed. Some couple of things happened really abruptly or maybe I wasn't expecting them naturally. But I feel like the ending to this really great noir adventure could have been a lot better. But none the less I'll up vote it because it wasn't bad but it wasn't great either.. Not bad at all. Hope there will be season 2.
